Re: Revision to State Agency Furloughs and CEQA Document Processing and Review Periods

The implementation of Executive Order S-16-08 (the furlough plan for state agencies) has been revised. The State Clearinghouse will no longer be closed the first and third Friday of each month. The State Clearinghouse will, once again, be open Monday through Friday, excluding holidays.

All projects that were affected by the closures on February 6, February 20, and March 6, will maintain the review period originally given by the State Clearinghouse. End review dates may be revised if requested in writing by the Lead Agency.

If you have any questions regarding the information in this memorandum or other questions on the State Clearinghouse review process, please feel free to contact us at state.clearinghouse@opr.ca.gov or (916) 445-0613.

Thank you.
